To whom it may concern,

Letter of Support – Changing Places NZ

Complex Care Group is pleased to write this letter of support for Changing Places NZ.

Complex Care Group supports the family/whanau and aiga of those with very high and complex disability needs including physical, intellectual and sensory disabilities, chronic health conditions and those with serious accidental injuries. Many of the families we support care for a loved one with medical vulnerabilities. Full and thorough physical access to clean, modern fit-for-purpose toileting and changing facilities are a fundamental right for any person, including the most profoundly disabled in our community.

We support the drive of Changing Places NZ in seeking to ensure their gold-standard quality toileting/changing facilities are available in communities throughout New Zealand. To be truly inclusive New Zealand must ensure the dignity of access to appropriate toilet facilities for **all** New Zealanders.

Yours sincerely,

A handwritten signature in blue ink that reads "Lisa Martin". The signature is fluid and cursive, with the first name "Lisa" and the last name "Martin" clearly distinguishable.

Lisa Martin
